PRESCHOOL INCLUSION SERIES

The SpecialQuest Preschool Inclusion Series focuses on the unique aspects of including preschool-age children with disabilities in programs and settings with their typically developing peers.

Contents of the Preschool Inclusion Series:

- 3-hole punched introduction pages
 - Description of the Preschool Inclusion Series
 - Recommendations for getting started
 - Helpful hints on accessing the pdf files on the CD and playing the video programs on the DVDs
 - Descriptions of the video programs including estimated viewing times
 - Descriptions of the accompanying training sessions for each video (includes approximate session time and keywords for online searches at www.specialquestlibrary.org)
- 4 video programs in English, English open-caption, and Spanish open-caption (contained on 6 DVDs)
- 1 CD containing pdf files of 5 training scripts with related handouts in English and Spanish (includes Index for easy access to files, along with Facilitator's Guide)

The Preschool Inclusion Series is also available for viewing or downloading at www.specialquestlibrary.org. The Preschool materials are intended to build on and be used in conjunction with the existing Library where there are tutorials, search options for locating volumes, sessions by topic, and videos, along with most current resources.
